## Plan pays a Maximum Amount of \$200 per Individual and \$600 per Family per Plan year from 7/1 through 6/30

**Note: There is a \$1,200 limit for families where Stairways Behavioral Health employs both parents.**

**We pay for lenses and contact lenses, up to the annual benefit payment.**

**All above services are subject to the Yearly Plan Maximum Amounts Payable.**

\*If you choose a NON-participating provider, the billed amount will be allowed, BUT only up to your plan year maximum payable benefit or \$200 per Individual and \$600 per Family.

\*\*Applies to standard fees as determined by BAI. Upgrades and additional expenses over the standard fee are the responsibility of the patient.

\*\*\*Certain providers' discounts are built into the cost of the frames and additional services. Please contact BAI for details.

\*\*\*\*These UCR allowances and discounts are only available at the point of purchase at participating providers.

*This is a summary of benefits only and does not guarantee coverage. Please contact BAI for details.*
