

Why Choose

Dickinson Center?

We Offer

*A positive
work environment.*

*A comprehensive
benefits package.*

*Encouragement & support
for growth & professional
development.*

*Within the
north central part of
Pennsylvania, you will
find more than two million
acres of public lands set aside for the
public's enjoyment. Teeming with wildlife
and offering unlimited recreation
opportunities, this 12-county region
includes some of the most wild and scenic
areas in the Northeast.*

Dickinson provides a
diverse employment
opportunity with
three separate
services lines:
Prevention Services,
Mental Health
Services, and
Intellectual/
Developmental
Disabilities.

We have employment
individuals with High
School diplomas,
Bachelor's Degrees,
Masters Degrees
(both licensed and
unlicensed), nurses,
nurse practitioners
and psychiatrists.

Dickinson Office
locations are
centrally located.
We are 2 and half
hours or less from
Buffalo, NY; Erie, PA;
Pittsburgh, PA or
State College, PA

In 2021,
we expanded by
opening a
long term structured
residential facility
in Brookville, PA
that employs over
25 additional staff.

We will be starting
construction on a new
two-story building in
down town St. Marys
that will centralize
what is now three
separate locations and
six programs.
